

PracticeOps for Coaches – Troubleshooting Business Challenges

One of 6 optional solution scripts from the Financial Accessibility Guide in *PracticeOps for Coaches – Troubleshooting Business Challenges*

Solution Scripts

Script A: Face-Saving Approach (High-Context Cultures)

"As part of my standard practice, I provide all clients with a comprehensive resource guide that includes options across different investment levels. Many find it helpful to review these privately to determine what best fits their situation. I'll email this to you, and we can discuss any questions when you're ready."
